

Shared Care Record Summit

Hosted by

Yorkshire & Humber
Care Record

Event Programme

20th - 21st March 2023

@YHCareRecord #SharedCareRecord

With the backing of NHS England, the Yorkshire and Humber Care Record is proud to host the first Shared Care Record Summit. The aim of the event is to agree shared outcomes. The agenda themes for the two days were suggested by the ICS community and the objective of each workshop is to agree key actions with the audience to ensure we are moving the agenda forward for the Shared Care Record initiative.
